

Shekijah Preparation Assembly

Vision Statement

The purpose of **Shekijah Preparation Assembly** is to provide a place of worship to all people. Shekijah stands on the foundation of helping people to develop a solid relationship with Jesus Christ, as Savior and Lord, through anointed preaching and teaching from the Holy Word of God.

Our church environment generates fellowship, inspiration, self-evaluation, determination, and the love of God among the congregation:

- **...to help** the membership of Shekijah reach their full potential, purpose, and destiny in the Body of Christ.
- **...to develop** ministries where people can use their gifts and talents for the enhancement of the Kingdom of God.
- **...to nurture** members by reaching out into their homes, workplaces, and communities to help and to share the compassion that exemplifies Christian character.

Shekijah means, “*God dwells here*”. Therefore, it is the vision of this House to create an atmosphere conducive for the Presence of Almighty God to reside and to assure that those who enter will welcome Him to dwell within them as well.

Our **Preparation** comes through the *hearing, accepting, and doing* of the Word of God so that we might be able to stand firmly planted, at all times, and in all situations.

We are the **Assembly** of called-out Saints who come together for the purpose of faith building, fellowship enhancing, and love sharing that we might be received into Heaven, which is **Shekijah, where God dwells**.
